

**PUBLIC OPINION SURVEY
FOR LITIGANTS / PARTIES**

The Florida Supreme Court’s Standing Committee on Fairness and Diversity would like to hear from parties regarding Florida’s state court system so that we can identify areas where changes may be needed. *Please return your completed survey to the office where you received it.* All responses are anonymous – no one’s answers will be singled out or reported by the committee in any way that would allow identification of individual survey participants. Survey responses are public record, which must be disclosed upon request. If it is more convenient, you may complete this survey online at www.flcourts.org
